5.3 Voting. Voting in the Association shall be carried out by Members who shall cast the votes attributable to the Building Lots which they own, or attributable to the Building Lots owned by Grantor. The number of votes any Member may cast on any issue is determined by the number of Building Lots which the Member, including Grantor, owns. When more than one person holds an interest in any Building Lot, all such persons shall be Members but shall share the votes attributable to the Building Lot. For voting purposes, the Association shall have two (2) classes of Members as described below.

5.3.1 Class A Members. Owners other than Grantor shall be known as Class A Members. Each Class A Member shall be entitled to cast one (1) vote for each Building Lot owned by such Class A Member on the day of the vote.

5.3.2 Class B Members. The Grantor shall be known as the Class B Member, and shall be entitled to ten (10) votes for each Building Lot of which Grantor is the Owner. The Class B Member shall cease to be a voting Member in the Association when the total cumulative votes of the Class A Members equal or exceed the total votes of the Class B Members so long as the Property has been fully platted (including future additions to the Property in Grantor's discretion), provided that the Class B membership shall not cease before the expiration of ten (10) years from the date on which the first Building Lot is sold to an Owner.

Fractional votes shall not be allowed. In the event that joint Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter being put to a vote. When an Owner casts a vote, it will thereafter be presumed conclusively for all purposes that such Owner was acting with authority and consent of all joint Owners of the Building Lot(s) from which the vote derived. The right to vote may not be severed or separated from the ownership of the Building Lot to which it is appurtenant, except that any Owner may give a revocable proxy, or may assign such Owner's right to vote to a lessee, mortgagee, beneficiary or contract purchaser of the Building Lot concerned, for the term of the lease, mortgage, deed of trust or contract. Any sale, transfer or conveyance of such Building Lot to a new Owner shall operate automatically to transfer the appurtenant voting right to the Owner, subject to any assignment of the right to vote to a lessee, mortgagee, or beneficiary as provided herein.

5.4 Board of Directors and Officers. The affairs of the Association shall be conducted and managed by a Board of Directors ("Board") and such officers as the Board may elect or appoint, in accordance with the Articles and Bylaws, as the same may be amended from time to time. The Board of the Association shall be elected in accordance with the provisions set forth in the Association Bylaws.

A copy of the Association Rules as they may from time to time be adopted, amended or repealed, shall be mailed or otherwise delivered to each Owner. Upon such mailing or delivery, the Association Rules shall have the same force and effect as if they were set forth in and were a part of this Declaration. In the event of any conflict between such Association Rules and any other provisions of this Declaration, or the Articles or Bylaws, the provisions of the Association Rules shall be deemed to be superseded by the provisions of this Declaration, the Articles or the Bylaws to the extent of any such inconsistency.

5.5.1.5 Emergency Powers. The power, exercised by the Association or by any person authorized by it, to enter upon any property (but not inside any building constructed thereon) in the event of any emergency involving illness or potential danger to life or property or when necessary in connection with any maintenance or construction for which the Association is responsible. Such entry shall be made with as little inconvenience to the Owner as practicable, and any damage caused thereby shall be repaired by the Association.

The power to grant and convey to any third party such licenses, easements and rights-of-way in, on or under the Common Area as may be necessary or appropriate for the orderly maintenance, preservation and enjoyment of the Common Area, and for the preservation of the health, safety, convenience and the welfare of the Owners, for the purpose of constructing, erecting, operating or maintaining:

5.5.1.6.3 Mailboxes and sidewalk abutments around such mailboxes or any service facility, berm, fencing and landscaping abutting common areas, public and private streets or land conveyed for any public or quasi-public purpose including, but not limited to, bicycle pathways.

The right to grant such licenses, easements and rights-of-way are hereby expressly reserved to the Association and may be granted at any time prior to twenty-one (21) years after the death of the issue of the individuals executing this Declaration on behalf of Grantor who are in being as of the date hereof.

9.3.1 Purpose and Procedure. In the event that the Board of the Association shall determine that its respective Regular Assessment for a given calendar year is or will be inadequate to meet the Expenses of such Association for any reason, including but not limited to costs of construction, reconstruction, unexpected repairs or replacement of capital improvements upon the Common Area, attorney's fees and/or litigation costs, other professional fees, or for any other reason, the Board thereof shall determine the approximate amount necessary to defray such Expenses and levy a Special Assessment against the portions of the Property within its jurisdiction which shall be computed in the same manner as Regular Assessments. No Special Assessment shall be levied which exceeds twenty percent (20%) of the budgeted gross Expenses of such Association for that fiscal year, without the vote or written assent of the Owners representing a majority of the votes of the Members of such Association. The Board shall, in its discretion, determine the schedule under which such Special Assessment will be paid.

9.8 Estoppel Certificate. The Association, upon at least twenty (20) days prior written request, shall execute, acknowledge and deliver to the party making such request, a statement in writing stating whether or not, to the knowledge of the Association, a particular Building Lot Owner is in default under the provisions of this Declaration, and further stating the dates to which any Assessments have been paid by the Owner. Any such certificate delivered pursuant to this paragraph 9.8 may be relied upon by any prospective purchaser or mortgagee of the Owner's Building Lot. Reliance on such Certificate may not extend to any default as to which the signor shall have had no actual knowledge.

9.9 Special Notice and Quorum Requirements. Notwithstanding anything to the contrary contained in either the Bylaws or the Articles, written notice of any meeting called for the purpose of levying a Special Assessment, or for the purpose of obtaining a membership vote in connection with an increase in the Regular Assessment, shall be sent to all Members of the Association and to any person in possession of a Building Lot in the applicable Tract, not less than fifteen (15) days nor more than thirty (30) days before such meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of the total votes of the Association shall constitute a quorum. If such quorum is not present, subsequent meetings may be called subject to the same notice requirement, and the required quorum at the subsequent meetings shall be fifty percent (50%) of the quorum required at the preceding meeting. No such subsequent meeting shall be held more than thirty (30) days following the preceding meeting.

ARTICLE X: ENFORCEMENT OF ASSESSMENTS; LIENS

10.1 Right to Enforce. The Association has the right to collect and enforce its Assessments pursuant to the provisions hereof. Each Owner of a Building Lot, upon becoming an Owner of such Building Lot, shall be deemed to covenant and agree to pay each and every Assessment provided for in this Declaration and agrees to the enforcement of all Assessments in the manner herein specified. In the event an attorney or attorneys are employed for the collection of any Assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of the terms and conditions of this Declaration, each Owner agrees to pay reasonable attorney's fees in addition to any other relief or remedy obtained against such Owner. The Board or its authorized representative may enforce the obligations of the Owners to pay such Assessments by commencement and maintenance of a suit at law or in equity, or the Board may exercise the power of foreclosure and sale pursuant to paragraph 10.3 to enforce the liens created hereby. A suit to recover a money judgment for an unpaid Assessment shall be maintainable without foreclosing or waiving the lien hereinafter provided.

10.2 Assessment Liens.

10.2.1 Creation. There is hereby created a claim of lien with power of sale on each and every Building Lot to secure payment of any and all Assessments levied against such Building Lot pursuant to this Declaration together with interest thereon at the

maximum rate permitted by law and all costs of collection which may be paid or incurred by the Association making the Assessment in connection therewith, including reasonable attorneys' fees. All sums assessed in accordance with the provisions of this Declaration shall constitute a lien on such respective Building Lots upon recordation of a claim of lien with the Ada County Recorder. Such lien shall be prior and superior to all other liens or claims created subsequent to the recordation of the notice of delinquency and claim of lien except for tax liens for real property taxes on any Building Lot and Assessments on any Building Lot in favor of any municipal or other governmental assessing body which, by law, would be superior thereto.

10.2.2 Claim of Lien. Upon default of any Owner in the payment of any Regular, Special or Limited Assessment issued hereunder, the Association may cause to be recorded in the office of the Ada County Recorder a claim of lien. The claim of lien shall state the amount of such delinquent sums and other authorized charges (including the cost of recording such notice), a sufficient description of the Building Lot(s) against which the same have been assessed, and the name of the record Owner thereof. Each delinquency shall constitute a separate basis for a notice and claim of lien, but any number of defaults may be included within a single notice and claim of lien. Upon payment to the Association of such delinquent sums and charges in connection therewith or other satisfaction thereof, the Association shall cause to be recorded a further notice stating the satisfaction of relief of such delinquent sums and charges. The Association may demand and receive the cost of preparing and recording such release before recording the same.

10.3 Method of Foreclosure. Such lien may be foreclosed by appropriate action in court or by sale by the Association establishing the Assessment, its attorney or other person authorized to make the sale. Such sale shall be conducted in accordance with the provisions of the Idaho Code applicable to the exercise of powers of sale permitted by law. The Board is hereby authorized to appoint its attorney, any officer or director of the Association, or any title company authorized to do business in Idaho as trustee for the purpose of conducting such power of sale or foreclosure.

10.4 Required Notice. Notwithstanding anything contained in this Declaration to the contrary, no action may be brought to foreclose the lien created by recordation of the notice of delinquency and claim of lien, whether judicially, by power of sale or otherwise, until the expiration of thirty (30) days after a copy of such claim of lien has been deposited in the United States mail, certified or registered, postage prepaid, to the Owner of the Building Lot(s) described in such notice of delinquency and claim of lien, and to the person in possession of such Building Lot(s), and a copy thereof is recorded by the Association in the Office of the Ada County Recorder.

10.5 Subordination to Certain Trust Deeds. The lien for the Assessments provided for herein in connection with a given Building Lot shall not be subordinate to the lien of any deed of trust or mortgage except the lien of a first deed of trust or first mortgage given and made in good faith and for value that is of record as an encumbrance against such Building Lot prior to the recordation of a claim of lien for the Assessments. Except as expressly provided in paragraph 10.6 with respect to a first mortgagee who acquires title to a Building Lot, the sale or transfer of any Building Lot shall not affect the Assessment lien provided for herein, nor the creation thereof by the recordation of a claim of lien, on account of the Assessments becoming due whether before, on, or after the date of such sale or transfer, nor shall such sale or transfer diminish or defeat the personal obligation of any Owner for delinquent Assessments as provided for in this Declaration.

10.6 Rights of Mortgagees. Notwithstanding any other provision of this Declaration, no amendment of this Declaration shall operate to defeat the rights of the Beneficiary under any deed of trust upon a Building Lot made in good faith and for value, and recorded prior to the recordation of such amendment, provided that after the foreclosure of any such deed of trust such Building Lot shall remain subject to this Declaration as amended.

ARTICLE XI: INSPECTION OF ASSOCIATION'S BOOKS AND RECORDS

11.1 Member's Right of Inspection. The membership register, books of account and minutes of meetings of the Board and committees of the Association shall be made available for inspection and copying by any Member of the Association or by such Member's duly appointed representatives, at any reasonable time and for a purpose reasonably related to such Member's interest as a Member at the office of the Association or at such other place as the Board of such Association shall prescribe. No Member or any other person shall copy the membership register for the purposes of solicitation of or direct mailing to any Member of the Association.

11.2 Rules Regarding Inspection of Books and Records. The Board shall establish reasonable rules with respect to:

11.2.1 Notice to be given to the custodians of the records by the persons desiring to make the inspection.

11.2.2 Hours and days of the week when such an inspection may be made.

11.2.3 Payment of the cost of reproducing copies of documents requested pursuant to this Article XI.

Within thirty (30) days of the date on which the Grantor first conveys a Building Lot to an Owner, Grantor shall appoint three (3) individuals to serve on Redfeather Estates Subdivision Architectural Committee ("Architectural Committee"). Each member shall hold office until such time as such member has resigned or has been removed, or such member's successor has been appointed, as provided herein. A member of the Architectural Committee need not be an Owner. Members of the Architectural Committee may be removed by the person or entity appointing them at any time without cause. Grantor shall be entitled to name two members until such time as all potential residential lots within the Property have been sold.

12.2 Grantor's Right of Appointment. At any time, and from time to time, prior to ten (10) years after the recording date of this Declaration in which Grantor is the Owner of any of the Property, Grantor shall have the exclusive right to appoint and remove all members of the Architectural Committee. At all other times, the Association Board shall have the right to appoint

and remove all members of the Architectural Committee. If a vacancy on the Architectural Committee occurs and a permanent replacement has not yet been appointed, Grantor or the Board, as the case may be, may appoint an acting member to serve for a specified temporary period not to exceed one (1) year.

12.3 Review of Proposed Construction. The Architectural Committee shall consider and act upon any and all proposals or plans and specifications submitted for its approval pursuant to this Declaration, and perform such other duties as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with plans approved by the Architectural Committee. The Board shall have the power to determine, by rule or other written designation consistent with this Declaration, which types of Improvements shall be submitted for Architectural Committee review and approval. The Architectural Committee shall have the power to hire an architect, licensed with the State of Idaho, to assist the Architectural Committee in its review of proposals or plans and specifications submitted to the Architectural Committee. The Architectural Committee shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the habitat of the Common Areas, or appearance of the surrounding area of the Property as a whole, that the appearance of any structure affected thereby will be in harmony with the surrounding structures, and that the upkeep and maintenance thereof will not become a burden on the Association.

12.3.1 Conditions on Approval. The Architectural Committee may condition its approval of proposals or plans and specifications upon such changes therein as it deems appropriate, and/or upon the agreement of the Owner submitting the same ("Applicant") to grant appropriate easements to the Association for the maintenance thereof, and/or upon the agreement of the Applicant to reimburse the Association for the cost of maintenance, and may require submission of additional plans and specifications or other information before approving or disapproving material submitted.

12.3.2 Architectural Committee Rules and Fees. The Architectural Committee also may establish rules and/or guidelines setting forth procedures for and the required content of the applications and plans submitted for approval. Such rules may require a fee to accompany each application for approvals or additional factors which it will take into consideration in reviewing submissions. The Architectural Committee shall determine the amount of such fee in a reasonable manner. Such fees shall be used to defray the costs and expenses of the Architectural Committee, including the cost and expense of hiring an architect licensed by the State of Idaho, as provided above, or for such other purposes as established by the Board, and such fee shall be refundable to the extent not expended for the purposes herein stated.

Such rules and guidelines may establish, without limitation, specific rules and regulations regarding design and style elements, landscaping and fences and other structures such as animal enclosures as well as special architectural guidelines applicable to Building Lots located adjacent to public and/or private open space.

12.3.3 Detailed Plans. The Architectural Committee may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, landscape plans, drainage plans, elevation drawings and descriptions or samples of exterior material and colors. Until receipt by the Architectural Committee of any required plans and specifications, the Architectural Committee may postpone review of any plan submitted for approval.

12.3.4 Architectural Committee Decisions. Decisions of the Architectural Committee and the reasons therefor shall be transmitted by the Architectural Committee to the Applicant at the address set forth in the application for approval within thirty (30) days after filing all materials required by the Architectural Committee. Any materials submitted pursuant to this Article XII shall be deemed approved unless written disapproval by the Architectural Committee shall have been mailed to the Applicant within thirty (30) days after the date of filing said materials with the Architectural Committee.

12.4 Meetings of the Architectural Committee. The Architectural Committee shall meet from time to time as necessary to perform its duties hereunder. The Architectural Committee may from time to time by resolution unanimously adopted in writing, designate a Architectural Committee representative (who may, but need not be one of its members) to take any action or perform any duties for and on behalf of the Architectural Committee, except the granting of variances pursuant to paragraph 12.9. In the absence of such designation, the vote of any two (2) members of the Architectural Committee, or the written consent of any two (2) members of the Architectural Committee taken without a meeting, shall constitute an act of the Architectural Committee.

12.5 No Waiver of Future Approvals. The approval of the Architectural Committee of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Architectural Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matter whatever subsequently or additionally submitted for approval or consent.

12.6 Compensation of Members. The members of the Architectural Committee shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder and except as otherwise agreed by the Board.

12.7 Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

12.7.1 Upon the completion of any work for which approved plans are required under this Article XII, the Owner shall give written notice of completion to the Architectural Committee.

12.7.2 Within sixty (60) days thereafter, the Architectural Committee or its duly authorized representative may inspect such Improvement. If the Architectural Committee finds that such work was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of such non-compliance within such sixty (60) day period, specifying the particular noncompliance, and shall require the Owner to remedy the same.

12.7.3 If upon the expiration of thirty (30) days from the date of such notification, or any longer time the Architectural Committee determines to be reasonable, the Owner shall have failed to remedy such noncompliance, the Architectural Committee shall notify the Board in writing of such failure. Upon notice and hearing, as provided in the Bylaws, the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date of the announcement of the Board ruling unless the Board specifies a longer time as reasonable. If the Owner does not comply with the Board ruling within such period, the Board, at its option, may either remove the noncomplying improvement or remedy the noncompliance, and the Owner shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy a Limited Assessment against such Owner for reimbursement pursuant to this Declaration.

12.7.4 If for any reason the Architectural Committee fails to notify the Owner of any noncompliance within sixty (60) days after receipt of the written notice of completion from the Owner, the work shall be deemed to be in accordance with the approved plans.

12.8 Non-Liability of Architectural Committee Members. Neither the Architectural Committee nor any member thereof, nor its duly authorized Architectural Committee representative, shall be liable to the Association, or to any Owner or Grantee for any loss, damage or injury arising out of or in any way connected with the performance of the Architectural Committee's duties hereunder, unless due to the willful misconduct or bad faith of the Architectural Committee. The Architectural Committee shall review and approve or disapprove all plans submitted to it for any proposed improvement, alteration or addition, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the immediate vicinity and to the Property generally. The Architectural Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of building, landscaping, color schemes, exterior finishes and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of any plan or design from the standpoint of structural safety or conformance with building or other codes.

12.9 Variances. The Architectural Committee may authorize variances from compliance with any of the architectural provisions of this Declaration, including restrictions upon height, size, floor area or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. However no variances will be granted for construction of structures or Improvements, including without limitation manicured lawns, in the Common Areas. Such variances must be

evidenced in writing, must be signed by at least two (2) members of the Architectural Committee, and shall become effective upon recordation in the office of the County Recorder of Ada County. If such variances are granted, no violation of the covenants, conditions or restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular Building Lot and particular provision hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting such Owner's use of the Building Lot, including but not limited to zoning ordinances or requirements imposed by any governmental or municipal authority.

ARTICLE XIII: EASEMENTS

13.1 Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment as between each Building Lot and such portion or portions of the Common Area adjacent thereto or as between adjacent Building Lots due to the unwillful placement or settling or shifting of the Improvements including but not limited to structures, walkways, bike paths, sidewalks and driveways constructed, reconstructed or altered thereon in accordance with the terms of this Declaration. Easements of encroachment shall be valid only so long as they exist, and the rights and obligations of Owners shall not be altered in any way because of encroachments, settling or shifting of the Improvements; provided, however, that in no event shall a valid easement for encroachment occur due to the willful act or acts of an Owner. In the event a structure on any Building Lot is partially or totally destroyed, and then repaired or rebuilt, the Owners of each Building Lot agree that minor encroachments over adjoining Building Lots that existed prior to the encroachment may be reconstructed pursuant to the easement granted by this paragraph 13.1.

13.2 Easements of Access. Grantor expressly reserves for the benefit of all the Property reciprocal easements of access, ingress and egress for all Owners to and from their respective Building Lots for installation and repair of utility services, for drainage of water over, across and upon adjacent Building Lots, and Common Areas, resulting from the normal use of adjoining Building Lots or Common Areas, and for necessary maintenance and repair of any Improvement including fencing, retaining walls, lighting facilities, mailboxes and sidewalk abutments, trees and landscaping. Such easements may be used by Grantor, and by all Owners, their guests, tenants and invitees, residing on or temporarily visiting the Property, for pedestrian walkways, vehicular access and such other purposes reasonably necessary for the use and enjoyment of a Building Lot or Common Area.

13.3 Drainage and Utility Easements. Notwithstanding anything expressly or impliedly contained herein to the contrary, this Declaration shall be subject to all easements heretofore or hereafter granted by Grantor for the installation and maintenance of utilities and drainage facilities that are required for the development of the Property. In addition, Grantor hereby reserves for the benefit of any Association the right to grant additional easements and rights-of-way over the Property and/or a Tract, as appropriate, to utility companies and public agencies as necessary or expedient for the proper development of the Property until close of escrow for the sale of the last Building Lot in the Property to a purchaser.

13.3.1 Improvement of Drainage and Utility Easement Areas. The Owners of Building Lots are hereby restricted and enjoined from constructing any Improvements upon any drainage or utility easement areas as shown on the Plat of Redfeather Estates Subdivision or otherwise designated in any recorded document which would interfere with or prevent the easement from being used for such purpose; provided, however that the Owner of such Building Lots and the Grantor, Association or designated entity with regard to the landscaping easement described in this Article XIII, shall be entitled to install and maintain landscaping on such easement areas, and also shall be entitled to build and maintain fencing on such easement areas subject to approval by the Association Architectural Committee, so long as the same would not interfere with or prevent the easement areas from being used for their intended purposes; provided, that any damage sustained to Improvements on the easement areas as a result of legitimate use of the easement area shall be the sole and exclusive obligation of the Owner of the Building Lot whose Improvements were so damaged.

13.4 Rights and Duties Concerning Utility Easements. The rights and duties of the Owners of the Building Lots within the Property with respect to utilities shall be governed by the following:

13.4.1 Wherever utility house connections are installed within the Property, which connections or any portions thereof lie in or upon Building Lots owned by an Owner other than the Owner of the Building Lot served by the connections, the Owner of the Building Lot served by the connections shall have the right, and is hereby granted an easement to the full extent necessary therefor, to enter upon any Building Lot or to have their agent enter upon any Building Lot within the Property in or upon which said connections or any portion thereof lie, to repair, replace and generally maintain the connections as and when it may be necessary.

13.4.2 Whenever utility house connections are installed within the Property, which connections serve more than one Building Lot, the Owner of each Building Lot served by the connections shall be entitled to full use and enjoyment of such portions of said connections as service such Owner's Building Lot.

13.5 Driveway Easements. Whenever a driveway is installed within the Property which in whole or in part lies upon a Building Lot owned by an Owner other than the Owner of the Building Lot served, or installed to serve more than one Building Lot, the Owner of each Building Lot served or to be served by such driveway shall be entitled to full use and enjoyment of such other Building Lot as required to service such Owner's Building Lot or to repair, replace or maintain such driveway.

13.6 Disputes as to Sharing of Costs. In the event of a dispute between Owners with respect to the repair or rebuilding of utility connections or driveways, or with respect to the sharing of the cost therefor, upon written request of one of such Owners addressed to the Association, the matter shall be submitted to the Board which shall decide the dispute and, if appropriate, make an

appropriate Assessment against any or all of the Owners involved on behalf of the prevailing Owner(s), which Assessment shall be collected and enforced in the manner provided by this Declaration for Limited Assessments.

13.7 General Landscape Easement. An easement is hereby reserved to each appropriate Association, its contractors and agents, to enter those portions of Building Lots, for the purpose of installing, maintaining, replacing and restoring exterior landscaping, and natural vegetation and habitat. Such landscaping activity shall include, by way of illustration and not of limitation, the mowing of lawns, irrigation, sprinkling, tree and shrub trimming and pruning, walkway improvement, seasonal planting and such other landscaping activities within the Property as such Association shall determine to be necessary from time to time.

13.8 Overhang Easement. There shall be an exclusive easement appurtenant to each Building Lot over the Common Areas for overhanging eaves, and for any projections from the buildings, which projections shall not extend beyond the eave line.

13.9 Maintenance and Use Easement Between Walls and Lot Lines. Whenever the wall of a structure, or a fence or retaining wall, constructed on a Building Lot under plans and specifications approved by the Architectural Committee is located within three (3) feet of the lot line of such Building Lot, the Owner of such Building Lot is hereby granted an easement over and on the adjoining Building Lot (not to exceed 3 feet from the Building Lot line) for purposes of maintaining and repairing such wall or fence and eaves or other overhangs, and the Owner of such adjoining Building Lot is hereby granted an easement for landscaping purposes over and on the area lying between the lot line and such structure or fence so long as such use does not cause damage to the structure or fence.

ARTICLE XIV: MISCELLANEOUS

14.1 Term. The easements created hereunder shall be perpetual, subject only to extinguishment by the holders of such easements as provided by law. The covenants, conditions, restrictions and equitable servitudes of this Declaration shall run until December 31, 2030, unless amended as herein provided. After December 31, 2030, such covenants, conditions and restrictions shall be automatically extended for successive periods of ten (10) years each, unless extinguished by a written instrument executed by Members holding at least three-fourths (3/4) of the voting power of the Association and such written instrument is recorded with the Ada County Recorder. Further provided that the Association shall not be dissolved without the prior written approval of the City of Meridian and Ada County Highway District, such consent not to be unreasonably withheld provided that a responsible successor organization shall agree to perform those maintenance responsibilities arising from applicable city and county governmental requirements.

14.2 Amendment.

14.2.1 By Grantor. Except as provided in paragraph 14.3 below, until the recordation of the first deed to a Building Lot in the Property, the provisions of this Declaration may be amended, modified, clarified, supplemented, added to (collectively,

"amendment") or terminated by Grantor by recordation of a written instrument setting forth such amendment or termination. Any amendment affecting only a particular Tract may be made by Grantor by an amendment to this Declaration at any time up to the recordation of the first deed to a Building Lot in such Tract.

14.2.2 By Owners. Except where a greater percentage is required by express provision in this Declaration, the provisions of this Declaration, other than this Article XIV, any amendment shall be by an instrument in writing signed and acknowledged by the president and secretary of the Association certifying and attesting that such amendment has been approved by the vote or written consent of Owners representing more than fifty percent (50%) of the votes in the Association, and such amendment shall be effective upon its recordation with the Ada County Recorder. Any amendment to this Article XIV shall require the vote or written consent of Members holding ninety-five percent (95%) of the voting power of the Association.

14.2.3 Effect of Amendment. Any amendment of this Declaration approved in the manner specified above shall be binding on and effective as to all Owners and their respective properties notwithstanding that such Owners may not have voted for or consented to such amendment. Such amendments may add to and increase the covenants, conditions, restrictions and easements applicable to the Property but shall not prohibit or unreasonably interfere with the allowed uses of such Owner's property which existed prior to the said amendment.

14.3 Mortgage Protection. Notwithstanding any other provision of this Declaration, no amendment of this Declaration shall operate to defeat or render invalid the rights of the beneficiary under any first deed of trust upon a Building Lot made in good faith and for value, and recorded prior to the recordation of such amendment, provided that after foreclosure of any such first deed of trust such Building Lot shall remain subject to this Declaration, as amended.

14.4 Notices. Any notices permitted or required to be delivered as provided herein shall be in writing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered seventy-two (72) hours after the same has been deposited in the United States mail, postage prepaid, addressed to any person at the address given by such person to the Association for the purpose of service of such notice, or to the residence of such person if no address has been given to the Association. Such address may be changed from time to time by notice in writing to the Association, as provided in this paragraph 14.4.

14.5 Enforcement and Non-Waiver.

14.5.1 Right of Enforcement. Except as otherwise provided herein, any Owner of any Building Lot shall have the right to enforce any or all of the provisions hereof against any property within the Property and Owners thereof.

14.5.2 Violations and Nuisances. The failure of any Owner of a Building Lot to comply with any provision hereof, or with any provision of the Articles or Bylaws of any Association, is hereby declared a nuisance and will give rise to a cause of action in the Grantor, the Association or any Owner Building Lot(s) within the Property for recovery of damages or for negative or affirmative injunctive relief or both. However, any other provision to the contrary notwithstanding, only Grantor, the Association, the Board, or a duly authorized agent of any of them, may enforce by self-help any of the provisions hereof only if such self-help is preceded by reasonable notice to the Owner.

14.5.3 Violation of Law. Any violation of any state, municipal or local law, ordinance or regulation pertaining to the ownership, occupation or use of any property within the Property is hereby declared to be a violation of this Declaration and subject to any or all of the enforcement procedures set forth in this Declaration and any or all enforcement procedures in law and equity.

14.5.4 Remedies Cumulative. Each remedy provided herein is cumulative and not exclusive.

14.5.5 Non-Waiver. The failure to enforce any of the provisions herein at any time shall not constitute a waiver of the right to enforce any such provision.

14.6 Interpretation. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of the Property. This Declaration shall be construed and governed under the laws of the State of Idaho.

14.6.1 Restrictions Construed Together. All of the provisions hereof shall be liberally construed together to promote and effectuate the fundamental concepts of the development of the Property as set forth in the recitals of this Declaration.

14.6.2 Restrictions Severable. Notwithstanding the provisions of the foregoing paragraph 14.6.1, each of the provisions of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity of any provision or portion thereof shall not affect the validity or enforceability of any other provision herein.

14.6.3 Singular Includes Plural. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine or neuter shall each including the masculine, feminine and neuter.

14.6.4 Captions. All captions and titles used in this Declaration are intended solely for convenience of reference and shall not affect that which is set forth in any of the provisions hereof.

14.7 Successors and Assigns. All references herein to Grantor, Owners, any Association or person shall be construed to include all successors, assigns, partners and authorized agents of such Grantor, Owners, Association or person.
